

**Smart Energy.
Smart Choice.**

Introduction

Established in 2023, Energy Solutions has rapidly grown into a trusted name in the power and energy sector. We specialize in providing high-quality, reliable, and efficient energy products designed to meet the evolving needs of both industrial and consumer markets. Our commitment to innovation drives us to offer advanced technologies that ensure long-term performance, sustainability, and value.

With a focus on customer satisfaction, continuous improvement, and modern energy standards, Energy Solutions aims to deliver dependable solutions that empower businesses, enhance productivity, and contribute to a cleaner, smarter future.

Ceiling Fan

AC/DC

- ✓ Operates smoothly on both AC and DC power sources.
- ✓ Low power consumption with high airflow performance.
- ✓ Ensures strong and consistent air delivery.
- ✓ Noise-reduced design for quiet and comfortable use.
- ✓ Long-lasting blades and motor for extended reliability.
- ✓ Stable performance even during voltage fluctuations.
- ✓ Ideal for homes, offices, and outdoor use.
- ✓ Perfect for load-shedding and emergency situations.

SIZE: 56"

Ceiling Fan **Inverter**

- ✓ Inverter technology ensures up to 60–70% energy savings.
- ✓ Powerful airflow even at low voltage.
- ✓ Smooth and noise-free operation for comfortable use.
- ✓ Provides stable speed with optimized efficiency.
- ✓ Runs perfectly during low voltage and fluctuations.
- ✓ Designed to perform efficiently on UPS, batteries, and solar systems.
- ✓ High-quality motor and blades for long-term performance.
- ✓ Built-in safety features for continuous, safe operation.
- ✓ Compatible with dimmer and remote speed adjustment (if supported).
- ✓ Sleek and modern look suitable for all interior spaces.

SIZE: 56"

Ceiling Fan

Rechargeable

- ✓ Long backup time during load-shedding.
- ✓ Low power usage with high airflow performance.
- ✓ Charges automatically when AC power is available.
- ✓ Powerful blades ensure strong and consistent airflow.
- ✓ Smooth, low-noise performance for comfort.
- ✓ Adjustable speed for personalized cooling.
- ✓ Ensures safe and reliable operation.
- ✓ Displays charging and backup status.
- ✓ Strong build quality with long-life motor.
- ✓ Works efficiently on backup systems.

SIZE: 56"

Lithium Battery Display

Sharp visuals in a compact size

Perfect for small gadgets, meters & industrial tools

Long-lasting power for extended use

Efficient performance with minimal energy use

2.5 INCH

Lithium Battery Display

3.5 INCH

Sharp visuals in a compact size

Perfect for small gadgets, meters & industrial tools

Long-lasting power for extended use

Efficient performance with minimal energy use

Lithium Battery Display

4.5 INCH

Sharp visuals in a compact size

Perfect for small gadgets, meters & industrial tools

Long-lasting power for extended use

Efficient performance with minimal energy use

Low Voltage, Wall Mounted & Rack Mounted Residential Battery

51.2V 100AH

5 Year
Local Warranty

Standard Charge/
Discharge 0.5/1C

DOD 100%

6000 Life Cycle

with minimal energy use

JK BMS BD6A24S10P

SUPPORT LI-ION/ LIFEPO4/LTO

- ⚡ Smart Power Control
- 🔋 Active Balancing 0.6A
- 📱 Bluetooth Monitoring
- ☑ Next-Gen BMS Protection
- 💪 Reliable High Current – 100A

JK BMS B1A8S10P

SUPPORT LI-ION/ LIFEPO4/LTO

- Bluetooth Monitoring
- Compact & Smart BMS
- 8S Support – Efficient Control
- Intelligent Protection System
- Real-Time Monitoring via App
- Stable Performance, Long Life

JK BMS B1A8S20P

SUPPORT LI-ION/ LIFEPO4/LTO

- Bluetooth Monitoring
- ⚡ Compact & Smart BMS
- 🔋 8S Support – Efficient Control
- ☒ Intelligent Protection System
- 📶 Real-Time Monitoring via App
- 💪 Stable Performance, Long Life

JK BMS PB1A16S10P

- 📱 Bluetooth Monitoring ⚡ Powerful 16S Smart BMS
- 🔋 High-Efficiency Battery Management
- ☒ Advanced Protection System
- 📱 App-Based Real-Time Monitoring
- 💪 Reliable Performance & Long Life

PACE BMS

- ⚡ Smart & Efficient BMS 📱 Reliable Power Management
- 🛡️ Advanced Safety Protection 🖥️ Real-Time Monitoring Control
- 💪 Built for Performance & Durability

FAN BMS4S 10AMP

4S compact design — ideal for 14.8V Li-ion / LiPo packs
Short-circuit and overcurrent protection for fault safety
Temperature monitoring with automatic cutoff on extremes
Continuous 10A current support for reliable power delivery

SUPPORT LI-ION/LIFEP04/LTO

Lithium Ion Phosphat 3C RATING

High Safety & Stability

Long Eco-Friendly Composition Life

Wide Temperature Range

High Discharge Rate

Long Cycle Life

SUPPORT LI-ION/LIFEPO4/LTO

Lithium Battery Wall Mount

12.8V 100AH

1.28KW/HR

Long Lifespan

Eco-Friendly & Maintenance-Free

Space-Saving Design

Built-in BMS Protection

High Efficiency

Lithium Battery Wall Mount

12.8V 100AH/200AH

1.28KW/HR/2.8KW/HR

Long Lifespan

Eco-Friendly & Maintenance-Free

Space-Saving Design

Built-in BMS Protection

High Efficiency

Lithium Battery Wall Mount

25.6V 100AH/200AH

2.56KW/HR/5KW/HR

Long Lifespan

Eco-Friendly & Maintenance-Free

Space-Saving Design

Built-in BMS Protection

High Efficiency

Lithium Battery Wall Mount

51.2V 200AH

10.12KW/Hr

Long Lifespan

Eco-Friendly & Maintenance-Free

Space-Saving Design

Built-in BMS Protection

High Efficiency

4^{Hr} گھنٹے نان اسٹاپ بیک اپ

LITHIUM BATTERY
لیتھیم بیٹری
WALL MOUNT/RACK

All In One Lithium Backup
For Load-Shedding Relief!

12.8V 18AH

جس میں آپ کو ملے ایک پنکھا،
ایک بلب اور ایک بیٹری

Lithium Battery Rack Mount

Safe and Reliable

- A grade LFP cells (LiFePO₄) for high stability and long lifespan

Flexible Configuration

- Connect up to 31 units in parallel for even more capacity and power, or start small and expand as needed

Strong Compatibility

- Equipped with CAN and RS485 interfaces, fully compatible with mainstream inverter brands

Advance BMS

- Automatic Protection Against Extreme temperatures, overvoltage, overcurrent, shortcircuits, and surge currents

REPT 3.2V-105AH

A Grade Original Cell

5000+cycles

Busbar & Nuts Available

Storage Temperature: -50-22°C
Nominal Capacity: 105Ah
Nominal Voltage: 3.2V

EVE 3.2V-100AH

A Grade Original Cell

5000+cycles

Busbar & Nuts Available

Manufacturing Date : 30-7-2025

Head Office
